

ANNUAL REPORT

A heart filled with aspirations is all that we knew since the very existence of Rose Mary Public School and that's what gave us the ambition of marching forward till excellence is achieved in all our Endeavour's.

In CBSE Board Exam Cephas Gracewin secured 485 out of 500 stood first Sutha Varshini scored 482 out of 500 secured second place and Shino stood third with a total mark of 481 out of 500. And nearly twenty students have scored the overall A1 grade.

Our students soared high in the field of sports too. Sujana Keziah of IX won first place in CBSE International sports and games Athlete meet. This geared up her way to participate in CBSE National Athletic meet which was held in Devanagiri, Karnataka where she attained third place and added laurels to our school.

I take pride to proclaim that thirty two of our Rosemarians eighteen Scouts and fourteen Guides, received Rashtriya Puraskar Award That is Governor Award.

To outlet the steam of caliber of our students in all fields, we conducted Inter House, Interclass and Inter school competitions. Six schools participated in the 'ROSA TALENTIA' and our students came out with flying colours.

As our school provides with the platform to show off their talents, our students do well in spell-bee, SOF International Olympiad in Science, Maths and English and STEP Olympiad received Gold, Silver and Bronze medals and got selected for the second level.

Every special day of the year is brought to light by making students and teachers give a programme base on it. Patriotism is inculcated in students as we paid tribute to our soldiers who sacrificed their life in Pulwama attack and Kargil. We celebrated Kargil victory Day and felt proud to be Indians.

August 6th was remembered as Anti Nuclear Day as the students going wonderful speeches and the need to stand against Nuclear weapons.

'Unity Day' was celebrated on 31 October as our students spoke on "Statue of Unity" and Low sardar Vallabhai Patel united all the small states in India.

The importance of following traffic rules was emphasized when we conducted Road Safety Day with a quite lot of competition. The Asst. Commissioner of Police gave away prizes to our students who won in elocution, competitions and enacted in plays.

It is not that our staff and students alone excel in all activities; our school campus itself is a motivation to all. We segregate waste at source by keeping different colour dustbins and dispose off the waste. Our contribution towards Environment protection is recognized by the Government as our school is awarded with the prestigious “SWACHH VIDYALAYA PURASKAR” Award (Clean School Award)

All CBSE Board activities are updated. Recently our Prime Minister Mr. Narendra Modi’s interactive session was telecasted for our students.

In order to stimulate the children’s uniqueness, the staff of each department inaugurated the club activity of their respective subjects by various programmes.

The life history and achievements of our former CM Kamarajar is made known to students on “Education Progress Day”

The importance of mother tongue was emphasized through speeches, play and verse reading on Mother Tongue Day”.

In order to celebrate Linguistic Day teachers taught simple sentences such as “I am . How are you? I am fine.” “ In Telugu, Sanskrit, Malayalam, Kannadam, Gujarati and Marrati.

Our young Scientists exhibited their models in the “Science Expo” conducted on 22th October and 28th February.

Healthy food habit is inculcated in students by celebrating “Food Mela” in our school. Compassion towards poor and needy is brought in students as they celebrated “Sales Day” and contributed their profit to orphanages. They also learnt to calculate profit and loss.

How to handle fire extinguisher and manage fire is taught to them by Fire Service Department.

Awareness on “Child Safety” is given priority through a mime show & the importance of women is portrayed through the Quiz and speeches on Women’s Day.

We do care for the mental growth of the children by making them good citizen and shine in the values by conducting counseling sessions on every Saturdays.

“What to do next?” The inner question is answered and the way to success is shown in the career guidance session for Std XII.

BY all the activities we can proudly proclaim that we do our best in creating the pillars of our nation in a better way.
